

Why DO YOU PLAY SO MUCH?

Dear Families,

Have you been wondering why your child always seems to be playing instead of working in our classroom?

It's because play IS the work of a child!

Research has shown that play is the most effective way to teach preschoolers.

Here's some of the things we are learning:

Social skills like sharing and self-control.

Fine motor skills to prepare us for holding writing tools.

Gross motor skills like coordination and balance.

Creative expression and taking pride in our work

Literacy skills like book care and recognizing familiar words

Math skills like counting, sorting, and comparing

Science skills like constructing, experimenting, and observing

Please feel free to ask any questions you might have about our curriculum.

Rest assured – your child is learning AND having fun!
